Day  
01

# The Majestic Kimberley

Awake to the majestic Kimberley and savour an irresistible TRUE NORTH breakfast as we glide past Cockatoo and Koolan Islands – our attentive crew will be happy to introduce the colourful histories of both! Then it's time to 'personally' introduce you to a Kimberley icon – The Horizontal Falls. Experience the awesome power of the region's huge tidal range in an exhilarating tender ride and then climb aboard your air conditioned helicopter for a view of the falls that very few experience!

Take a refreshing swim and a walk on the squeaky white sands of Silica Beach.

Before you know it, your first day onboard will be coming to an end – but there's still time to select a fine wine and to enjoy a leisurely evening meal as we set sail to Doubtful Bay.

# The Sale

This morning is devoted to exploring the Sale river. Join naturalists and adventurers alike as we 'ride the tide' on a classic river expedition! For those who can't wait one minute longer, the mouth of the Sale offers the first opportunity to 'land a barra'! or, take off on a heli-fishing adventure perhaps to where the salt meets the fresh!

Enjoy lunch as we weigh anchor and cruise to another Kimberley icon – Montgomery reef! Montgomery is a unique ecosystem that must be seen to be believed – and see it you will – as 140 square miles of coral reef rises out of the ocean right before your very eyes! Water cascades from the reef as the tide falls exposing a privileged glimpse of another world! Turtles, dugong, crocodiles and every imaginable sea creature abound and the helicopter puts all in perspective!

Day  
**03**

## The Prince Regent

The scenery will astound and there are some not-to-be-missed fishing spots as the TRUE NORTH graces the majestic Prince Regent River. This morning's target species include delectable mangrove jack and fingermark bream. At King Cascade we will manoeuvre the TRUE NORTH right under the falls. Then it's time for more 'adventure in the tender' – a chance to stretch the laces on your hiking boots and an opportunity to swim in yet another picture perfect billabong, or perhaps you'd like to venture further upriver to visit the spectacular 'Amphitheatre' waterfall. The helicopter will be popular again when the first group of intrepid explorers returns from Jurassic Park!

Day  
**04**

## Picnic Time

Be amongst the first on deck and join an early morning fishing expedition, or see some stunning rock art or join the ship's naturalist in one of the adventure boats – and all before another breathtaking helicopter flight to a picnic that you'll never forget! The TRUE NORTH's mouthwatering cuisine alongside a crystal clear billabong – in one of the most remote places on earth!

Day  
**05**

# The Hunter

Wake this morning in the magnificent Hunter River. The Hunter is about as far away as you can get in Australia – a stunning river system that is lined with dense mangrove forests and surrounded by rainforest encrusted mountains. And, the Hunter has it all – fishing, mud-crabbing, bird-watching and simply exploring “where few have been before!” Join one of our adventure boats for a closer look, it’s only a short hike, enjoy a challenging hike to Jackson Falls and, there’s even more splendour from the helicopter! In the afternoon we will sail into Prince Frederick harbour and enjoy sunset drinks on picturesque Crystal Beach, enjoy some delicious hors d’oeuvres and watch the sun descend on another action packed day in the Kimberley!

Day  
**06**

## Swift Bay

Wake in the stunning turquoise waters of Swift Bay. No time to dally – after an early breakfast it's time to join the 'hunt for the black-lip oyster'. In fact – their much-talked about proportions render them not hard to find at all! Savour their unique taste direct from the rock – aside from some freshly squeezed lemon, you can't get much more a la naturelle than that! There are also some excellent Wandjina galleries nearby and the waters are alive with light game species such as queenfish, giant trevally and mackerel. Then join us for our pearl and diamond party! Enjoy a glass of bubbly whilst trying on exquisite pieces created by the artistes at Allure, Jewels of the Kimberley and Kimberley Fine Diamonds.

Day  
**07**

## The Mitchell

The Mitchell River is renowned for big barra and even bigger crocs!

The adventure boats will head up river to the scenic Surveyors Creek – a great place for a swim (no crocs here!) The fishermen will again join the hunt for the elusive barramundi and there will be more opportunities for helicopter flights over ancient land including the spectacular Mitchell Falls! Join the crew for cocktail hour before experiencing another unique dining experience.

Day  
**08**

## Eagle Falls

Today there will be an opportunity to see the "Bradshaws" - ancient rock art that pre-dates other examples of Aboriginal culture. In fact, they are possibly the oldest 'paintings' known to man. Vansittart Bay also has a reputation for producing monster mackerel! The heli-picnic at Eagle Falls is always a 'big hit' – enjoy a sumptuous picnic lunch amidst breathtaking scenery. The tenders will also be busy exploring the local beaches and creeks. Overnight we cruise to Koolama Bay.

Day  
09

## The King George

Yet another mighty Kimberley river – The King George! As soon as the tide is high enough, we'll cross the sand bars at the mouth to reveal even more breathtaking river vista. Then our journey upstream will take us to the very 'jewel in the crown' – The King George Falls. Here we anchor at the base of the Twin Falls and you will find endless places to explore. Take the helicopter to the top of the falls for another highlight. Just the thought of leaving this magnificence will inspire mutiny! Hear about the bombing of a state-ship during WWII, then take a stroll at Tranquil Bay before we continue onto the frontier port of Wyndham.

Day  
10

Your courtesy coach will arrive at approximately 0800 hours for transfer to Kununurra and your crew will already be looking forward to the next opportunity to welcome you aboard the mighty TRUE NORTH!
