Sydney

Sydney Harbour on 'The Rocks'

Direct from the deck of True North
Flight 45 min \$645*

This breathtaking flight will give you an amazing aerial view of the northern beaches and waterways of Sydney, Sydney Harbour, Ku-ring-gai National Park and the Hawkesbury River.

Taking off from the True North's anchorage in Pittwater we fly over Palm Beach and the Barrenjoey Lighthouse before heading south to explore the northern beaches of Sydney. At the entrance to Sydney Harbour is North Head, from here we fly up the Harbour to enjoy stunning views of the cityscape and of course the Opera House and Harbour Bridge. Once we reach the Gladesville Bridge we turn around and fly back along the Harbour repeating the spectacle and allowing different views for passengers.

From North Head we fly north to Long Reef and then inland to Cowan Creek in the Ku-ring-gai National Park. We follow Cowan Creek downstream past Looking Glass Bay, Jerusalem Bay and finally into the Hawkesbury River where we meet up with the True North anchored in Pittwater.

Hunter Valley Wine Tasting

Direct from the deck of True North
Flight 1hr 15min \$895*

Take the helicopter on a wine tasting adventure to the Hunter Valley. Arriving and departing the cellar door by helicopter is the ultimate way to sample the Hunter Valley's best wines.

Leaving the True North at Brooklyn we get great views of the Hawkesbury River and Brooklyn Bridge. On our way to the Hunter Valley we fly over numerous national parks such as Brisbane Water and Yengo National Parks. Once in the Hunter Valley we are greeted by a myriad of vineyards and olive groves nestled in the foothills of the Brokenback Range. The Hunter Valley is one of Australia's oldest wine regions and is famous for its Semillon and Shiraz. Dropping in on 2 great wineries will give you a cellar door experience like no other. After sampling some of the best wines that NSW has on offer, enjoy a relaxing flight home to the True North.

* Please contact North Star Cruises office prior to embarkation to book your flight. Flights may be subject to change or cancellation. Minimum passenger numbers are required for flights to proceed.
